Infant Mental Health

Infant/Toddler Mental Health Endorsement® Mental Health Specialist

Scope of work: Treatment

Who

Parent-Infant Psychotherapist,
Parent-Child Psychotherapist,
Early Childhood Mental Health
Specialist, Private Practice Therapist,
etc.

Do You . . .

- ✓ Accurately interpret information from informal and formal observations and assessments to identify capacities and strengths as well as developmental delays and/or emotional disturbances in infants and young children served?
- ✓ Develop service plans that take into account the unique needs, desires, history, lifestyle, concerns, strengths, resources, cultural community, and priorities of each infant/young child and family?

Do You . . .

- ✓ Demonstrate respect for the uniqueness of each client family's culture?
- ✓ Establish trusting relationships with the families you serve?

If You Answered Yes . . .

You provide culturally sensitive, relationship-focused, infant and/or early childhood mental health treatment services intended to explicitly address issues related to attachment, separation, trauma and unresolved grief and loss as they affect the attachment relationship, development, behavior and care of the young child.

Recognize Your Expertise

IMH Endorsement® connects your professional experiences with a set of competencies that recognize your infant/toddler mental health promotion expertise.
